Dear Resident

Due to the coronavirus situation, the Parish Council has to change the way in which we operate. We cannot run our normal face-to-face public meetings but we are determined during this restrictive time to keep our lines of communication with all of you open.

Each month we will publish an agenda of business on which we need to make decisions. This will be accessible (as usual) on the village notice board, our website (newburghlancs.org.uk) and facebook (www.facebook.com/newburghlancs).

The opportunity will be available for you to respond to any item with comments or questions by contacting our Clerk (see details above) all of which will be taken into consideration in our decision making. Minutes of decisions made each month will be available on our website or on request from the Clerk.

We are very aware that the situation is unprecedented and difficult for all of us. Please do contact us about anything on our agendas or anything else of concern, particularly involving vulnerable people in the village who may need support.
